HEALTH BENEFITS

Benefits Provided by the State of Ohio
All of the State of Ohio health plans are self-funded programs. This means that the cost of benefits is funded by contributions from you and the State of Ohio. All claims for services and procedures are paid directly from these contributions. When the amount of claim payments is greater than the amount of contributions from employees and the state, medical costs increase. As employees of the State of Ohio, we need to do our part to keep claim costs low.

Employee Contributions + State Contributions = TOTAL CONTRIBUTIONS

Being smart consumers and making informed choices is one way to keep the cost of medical claims down. State employees can help by choosing a primary care physician and visiting him or her regularly. Developing a relationship with a primary care physician can reduce trips to the emergency room and other urgent care facilities.

Also, the State of Ohio’s third-party administrators offer helpful tools on their websites to assist you in making smart decisions. These tools can help you identify an in-network primary care physician that best fits your needs. Because the costs for same services can vary widely (e.g. x-ray, colonoscopy, MRI, etc.), using these tools can result in savings for you and the state. For more information, see the third-party administrator contact information in the left-hand column.

Another way to keep claim costs low is by taking care of yourself and your family’s health. The State of Ohio offers many preventive care benefits, often at no cost to you or your dependents. See the chart of available services on Page 12. The state also offers its employees and spouses a wellness program, known as Take Charge! Live Well!, to aid you in your quest to be mentally, physically and fiscally healthy.

Your health benefits include medical, prescription drug, behavioral health, dental, vision and the Take Charge! Live Well! program. The benefit year is the 12-month period from July 1 through June 30 during which services are rendered and your deductible and coinsurance are accumulated.

Medical Coverage

As an eligible employee enrolling in medical coverage, you automatically gain prescription drug, behavioral health and Take Charge! Live Well! benefits.

COST
Each employee who is enrolled in the Ohio Med Preferred Provider Organization (PPO) Plan, the State of Ohio's medical plan, pays a portion of the total contribution through pre-tax biweekly or monthly payroll contributions for their coverage. The remaining portion of the total contribution is paid for by the State of Ohio. See the chart on Page 6. Your out-of-pocket cost will be assessed as outlined on Page 11.

ELIGIBILITY
Most state employees are eligible for medical coverage effective the first day of the month following their date of hire or if they experience a change in status/qualifying event. Dependents are eligible for medical coverage up to the age of 26. See Pages 8 and 9 for more details. Coverage may be continued if the dependent qualifies as disabled or elects coverage under the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Full-time and Part-time Permanent Employees Only
You are eligible for the state's medical benefits if you are a full-time or part-time permanent employee.

Part-time Permanent Employees Only
• The contribution tier for part-time permanent employees is determined annually.
• The percentage that part-time permanent employees pay toward their contributions is based on their average number of service hours. Average service hours are calculated over a 12-month period (called the Standard Measurement Period), which begins the first pay period in May and goes through the last pay period in April. Any change in your contribution becomes effective July 1, the beginning of the new plan year.

<tr>
<td>20-29.99 hours</td>

</tr>
<tr>

<td>15%</td>
</tr>
</tbody>
</table>

Part-time Temporary Employees Only
The Affordable Care Act requires the State of Ohio to offer only medical coverage to all part-time temporary employees who average at least 30 service hours per week over a 12-month measurement period (called the Initial Measurement Period).
• Part-time temporary employees are those typically hired as interns, intermittents or external interim employees. This does not include AmeriCorps volunteers or contingent workers.
• Part-time temporary employees who are hired with a reasonable expectation of averaging 30 or more service hours per week in their first 12 months of employment will be eligible to enroll in medical coverage at the date of hire. Coverage is effective the first day of the month following the date of hire. The State of Ohio cannot terminate the coverage until 12 months has expired, you terminate service with the State of Ohio for more than 31 days or you experience a change in status/qualifying event.
• Part-time temporary employees who are hired with a reasonable expectation of averaging 29.99 service hours or less per week will not be eligible to enroll in medical coverage at the time of hire. Instead, you will be measured over the 12-month Initial Measurement Period.
• The Initial Measurement Period begins the first full pay period after the first pay period with one or more service hours credited.
• Upon completion of the Initial Measurement Period, if you average 30 or more service hours, you will be offered the opportunity to enroll in medical coverage the first of the month following the end of the Initial Measurement Period.
DEPENDENT ELIGIBILITY

Family members described below may be eligible for coverage under your health benefits package.

Note: Dependent children are only eligible for dental and vision benefits if unmarried and younger than age 23; however, dependent children ages 19 through 22 must be students.

Documentation will be required at the time of dependent enrollment to verify eligibility. To view the detailed eligibility and documentation requirements for all dependents, please go to das.ohio.gov/eligibilityrequirements.

1. Spouse
   - Your current legal spouse as recognized by Ohio law.

2. Children younger than age 26 including:
   - Your biological children (married or unmarried);
   - Your legally adopted children: adopted children have the same coverage as children born to you or your spouse, whether or not the adoption has been finalized. Coverage begins upon placement/custody for adoption;
   - Your stepchildren;
   - Non-emancipated foster children. Emancipation is defined as the age of 18 unless specifically stated in the court order;
   - Non-emancipated children for whom either you or your spouse has been appointed legal guardian; and
   - Children for whom the plan has received a Qualified Medical Child Support order: the child must be named as your alternate recipient in the order.

3. Unmarried children incapable of self-care
   Unmarried children who are incapable of self-support due to a qualifying developmental disability, severe mental illness or physical handicap, whose disability began before age 23 and who are primarily dependent upon you are eligible for medical coverage. When there is an unsuccessful attempt at independent living, a child covered pursuant to this provision may be re-enrolled for coverage, provided that the application is submitted within five years following loss of coverage.

This coverage is not automatic. You must complete the applicable form for your third-party administrator of the Ohio Med PPO. A form for each third-party administrator can be obtained from your agency’s human resources representative.

Periodically, but not more than once a year, proof of continued incapacity and dependence must be provided upon request.
Examples of persons not eligible for coverage as a dependent include, but are not limited to:

- A spouse from whom the employee is legally divorced or legally separated;
- Live-in boyfriend or girlfriend;
- Parents or parents-in-law;
- Grandchildren (unless the employee is the court-appointed legal guardian);
- Adults who are not the employee’s or spouse’s children under guardianship of employee (brother, sister, aunt, uncle, etc.);
- A spouse from a common-law marriage established after Oct. 10, 1991;
- Any other members of your household who do not meet the definition of an eligible dependent;
- A child who is eligible as an employee of the State of Ohio is not eligible as the dependent of a parent who also is a State of Ohio employee, except as required by the Patient Protection and Affordable Care Act; and
- A child of a state employee cannot also be covered as the spouse of another state employee.

**Employees are required to disenroll a dependent who becomes ineligible.**

Providing false or misleading dependent eligibility information may result in any or all of the following actions by the State of Ohio:

- Loss of coverage;
- Disciplinary action, up to and including dismissal;
- Collection action to recoup payments of benefits and claims paid for individuals determined to be ineligible; and/or
- Civil and/or criminal prosecution.

Visit the Definitions and Required Documents Checklist at [das.ohio.gov/eligibilityrequirements](http://das.ohio.gov/eligibilityrequirements) to learn what is needed to disenroll an ineligible dependent.

### 3-Digit ZIP Code Breakdown

The state contracts with Aetna, Anthem and Medical Mutual of Ohio to serve as the third-party administrators for the Ohio Med PPO Plan. This plan allows employees and eligible dependents to have access to both network and non-network providers. Aetna, Anthem and Medical Mutual of Ohio each serve State of Ohio employees based on the first three digits of their home ZIP code. Please review the ZIP code chart below to find your plan administrator. Employees with home ZIP codes outside Ohio will be enrolled in Anthem.

SPECIFIC BENEFIT INFORMATION
The Ohio Med PPO plan does not contain pre-existing condition exclusions; therefore, coverage is available to you and your eligible dependents regardless of current health or health history.

Your out-of-pocket costs, such as copayments, deductibles and co-insurance, are shared and combined with your behavioral health plan. If you receive services prior to meeting your deductible, you may need to pay for these services up to the deductible amount before your plan starts paying. This does not apply to routine office visits for which you only pay an office visit copayment.

For specific plan information, see Pages 11 and 12.

ENROLLMENT
You can enroll online using myohio.gov. See the Benefits Enrollment Instructions on Page 18.

If you do not enroll within 31 days of your date of hire or if you experience a change in status/qualifying event, you must wait until the next annual Open Enrollment period (typically held in the spring).

If you do experience a future change in status/qualifying event, you will have 31 days to add or remove yourself or your dependent(s) to or from coverage.

Visit the Definitions and Required Documents Checklist at das.ohio.gov/eligibilityrequirements to learn what is needed to enroll an eligible dependent.

Save Money: Use Benefits Wisely

All of the State of Ohio’s health plans are self-funded. This means that the cost of your benefits is funded by contributions from you and the State of Ohio. All claims are paid from these contributions. Your third-party administrator does not pay for them. Rather, Aetna, Anthem and Medical Mutual of Ohio are paid an administrative fee to review claims and process payments. When the amount of claim payments is greater than the amount of contributions from you and the State of Ohio, medical costs increase.

It is up to each of us to use our benefits wisely. We can all do our part by making wellness a priority in our lives, evaluating our options when we need care and avoiding unnecessary visits.

Take advantage of consumer tools provided by our medical third-party administrators that enable you to shop and find lower costs for the services provided (MRIs, labs, surgeries, etc.) by visiting your third-party administrator’s website listed on Page 5.

STAY HEALTHY, SAVE MONEY

Preventing and detecting disease early is important to living a healthy life. The better your health, the lower your health care costs are likely to be. One of the most important healthy actions you can take is to schedule regular check-ups and screenings with your primary care physician.

Your State of Ohio PPO Plan offers the following services with no deductible, no copayment and no coinsurance for network providers. Other services are available for the normal copayment, coinsurance and deductible amounts.

The maximum copay for oral oncology medications will be $100 for a 30-day supply. For more details, visit das.ohio.gov/prescriptiondrug.

* Pharmacy copays do not apply toward medical/behavioral health plan deductibles and the annual out-of-pocket maximum.
Summary of Benefits and Coverage

A requirement of the Affordable Care Act, the Summary of Benefits and Coverage (SBC), is a comprehensive document that details simple and consistent information about medical plan benefits and coverage. It will help you to understand the basics of your coverage and allow you to compare any different coverage options you may have. It summarizes the key features of the plan, such as covered benefits, out-of-pocket provisions and limitations and exceptions.

All insurance companies and group health plans must use the same standard SBC form. The SBC also contains a link to the required Uniform Glossary, which provides definitions of many commonly used health coverage and medical terms. To learn more, visit das.ohio.gov/benefits. The SBC is listed along the right navigation pane under the Publications and Notices section.

2. Clinical Therapeutic Intervention administered by or under the supervision of a qualified/approved provider, in accordance with an approved applied behavioral analysis treatment plan, limited to 20 hours per week.

Your out-of-pocket costs, such as copayments, deductibles and co-insurance, are shared and combined with your medical plan. If you receive services prior to meeting your deductible, you may need to pay for these services up to the deductible amount before your plan starts paying. This does not apply to routine office visits for which you only pay an office visit copayment.

All enrolled employees and their dependents have access to both in-network and out-of-network behavioral health benefits. However, you will pay more if you do not use the network of participating providers and facilities. See the Behavioral Health Benefit Plan chart on Page 15 for coverage information.

Support for dependents battling substance use
The state’s health plan offers Optum’s Family Support Program to help care for a dependent up to age 26 who has a substance use problem. The Family Support Program gives you confidential phone access to licensed mental health clinicians with in-depth knowledge of alcohol or drug addictions and treatment. The program is available at no additional cost.

When you call the program, a family support specialist will do a thorough assessment of your situation. The support specialist will:

- Educate you about addiction and community resources for you and your loved one;
- Guide you through treatment options and refer you to the appropriate treatment centers or clinicians; and
- Support you in communicating with your child and taking care of yourself and other family members by providing connections to support services.

For details about Optum’s Family Support Program, call either the Ohio Employee Assistance Program, 800-221-6327, or the Family Support Program’s toll-free phone number, 877-229-3440 (TDD/TYY: Dial 711 and the phone number), or log onto Optum’s Live and Work Well website, liveandworkwell.com, and enter the access code: 00832.

ELIGIBILITY
Employee Eligibility
Exempt full-time and part-time permanent employees are eligible to enroll in dental coverage effective the first day of the month following the completion of one year of continuous state service or thereafter during Open Enrollment.

Dependent Eligibility
1. Spouse
   Your current legal spouse as recognized by Ohio law.

2. Children younger than age 19 including:
   • Your unmarried biological children;
• Your legally adopted children. Adopted children have the same coverage as children born to you or your spouse, whether or not the adoption has been finalized. Coverage begins upon placement/custody for adoption;

• Your stepchildren;

• Non-emancipated foster children. Emancipation is defined as the age of 18 unless specifically stated in the court order;

• Non-emancipated children for whom either you or your spouse has been appointed legal guardian; and

• Children for whom the plan has received a Qualified Medical Child Support order. The child must be named as your alternate recipient in the order.

3. **Children between the ages of 19 and 23 with approved student status**
   Dependents between the ages of 19 and 23 are eligible for continued coverage as long as they maintain their student status. Student coverage is not automatic. To initiate or continue coverage for your dependent, you are required to submit proof of eligibility within 31 days of the change in status/qualifying event.

   Student status required documents:
   • An “Affidavit of Student Status” form, accessed at das.ohio.gov/forms in the “Eligibility” section; and
   • A “Current Enrollment Verification Certificate” from the National Student Clearinghouse, studentclearinghouse.org, or a letter or official transcript from the school registrar must be submitted with the Affidavit of Student Status.

   If the proof of eligibility is provided timely, the dependent will remain on your dental coverage until he or she turns 23 or experiences a change in status/qualifying event, such as graduating from college or getting married.

4. **Unmarried children incapable of self-care**
   Unmarried children who are incapable of self-support due to a qualifying developmental disability, severe mental illness or physical handicap, whose disability began before age 23 and who are primarily dependent upon you are eligible for medical coverage. When there is an unsuccessful attempt at independent living, a child covered pursuant to this provision may be re-enrolled for coverage, provided that the application is submitted within five years following loss of coverage.

   This coverage is not automatic. You must complete the applicable form for your third-party administrator of the Ohio Med PPO. A form for each third-party administrator can be obtained from your agency’s human resources representative.

   Periodically, but not more than once a year, proof of continued incapacity and dependence must be provided upon request.

View detailed eligibility and documentation requirements at: das.ohio.gov/eligibilityrequirements.

Flexible Spending Accounts (FSA) are tax-favored accounts that provide the opportunity for eligible permanent employees to defer funds on a pre-tax basis to pay for eligible expenses throughout the calendar year.

Health Care Spending Account

The health care spending account (HCSA), administered by WageWorks, is a tax-favored account that provides the opportunity to defer on a pre-tax basis a minimum of $240 and up to a maximum of $2,500 per calendar year into an account to pay for eligible medical expenses not paid by medical, vision or dental plans.

COST

The State of Ohio pays the $3.30 monthly administrative fee on behalf of participating employees.

ELIGIBILITY

Permanent full-time or permanent part-time employees who have successfully completed their initial probationary period, if applicable, and have sufficient earnings to cover the election amount are eligible to participate.

SPECIFIC BENEFIT INFORMATION

It is not necessary to be enrolled in the Ohio Med PPO Plan to participate in HCSA. If your spouse also is a state employee, each of you may participate in HCSA as separate individuals.

Carry Over

HCSA participants who have more than $50 and up to $500 remaining in their account on Dec. 31 may carry over that amount to the next plan year. Any amount less than $50 or more than $500 will be subject to the IRS Forfeiture Rule.

IRS Forfeiture Rules

Federal regulations provide certain forfeiture rules. For example, at the end of the month of your employment termination, any unspent HCSA or DCSA balance will be forfeited.

Changes in Coverage

According to IRS regulations, a mid-year change can be made to the HCSA election if the employee experiences a change in status/qualifying event. However, the proposed change must be consistent with the type of change experienced. Contributions and benefit changes must be a result of the change in status/qualifying event. The time frame for notification is within 31 days of the change in status/qualifying event and will take effect the first of the month following the receipt of the “Flexible Spending Account Change Form” and the supportive documentation. - During the annual Flexible Spending Accounts Open Enrollment period, held in the fall; or
- Following a change in status/qualifying event.
Dependent Care Spending Account

The dependent care spending account (DCSA), administered by WageWorks, is a tax-favored account that provides the opportunity to defer on a pre-tax basis a minimum of $240 and up to a maximum of $5,000 per calendar year (depending on tax filing status) into an account to pay for eligible child care, dependent care or eldercare expenses.

The time frame for notification is within 31 days of the change in status/qualifying event and will take effect the first of the month following the receipt of the “Flexible Spending Account Change Form” and the supportive documentation. The form is available at das.ohio.gov/forms.

Workers’ Compensation

Workers’ compensation is a ‘no-fault’ system that compensates employees for work-related injuries or illnesses.

**COST**
State agency contributions are determined by the Ohio Bureau of Workers’ Compensation (BWC) per $100 of payroll for benefits offered by the BWC.

**ELIGIBILITY**
All state employees are eligible for benefits offered by the BWC.

**SPECIFIC BENEFIT INFORMATION**

*When an Injury Occurs*
Obtain medical care promptly. If emergency treatment is required, go immediately to the nearest emergency facility. Otherwise, the Managed Care Organization* can provide you with names of providers in your area.

Complete an Accident or Illness Report (Form ADM 4303). Your agency will forward the completed Form ADM 4303 to the Managed Care Organization, who will file the initial claim information with BWC.

Your health care provider will forward all medical information regarding your claim to the Managed Care Organization who will contact you to gather additional information regarding your treatment, recovery and claim.

BWC will send you a letter assigning you a claim number. Retain and reference this number when contacting your agency, BWC, Managed Care Organization and your health care provider regarding your claim.

BWC will make an initial decision to approve or deny your claim and will notify you in writing.

*Medical-only Claims*
You may be eligible for a medical-only claim if you are unable to work for seven calendar days or less. If approved, the Managed Care Organization will pay authorized treatments directly related to your claim.

*Lost Time Claims*
If your attending physician determines that your injury or illness will prevent you from working for eight or more calendar days, you may be eligible to receive lost time benefits through the BWC. You and your attending physician will need to file a Request for Temporary Total Compensation (Form C-84). Your physician will also need to complete the Physicians Report of Work Ability Form (Form MEDCO-14). These forms are available on BWC’s website at [bwc.ohio.gov](http://bwc.ohio.gov).

If approved, BWC will begin paying temporary total benefits accordingly:
- On the eighth day, if you are off work from eight to 14 days; or
- From the first day, if you are off work for 14 or more consecutive days;

BWC will pay you directly by electronic deposit to your bank account.

You cannot receive payment from the BWC for the same period you receive payment from your agency for Sick Leave, Disability, Salary Continuation or Occupational Injury Leave benefits. If this occurs, you will be responsible for reimbursing your agency for the benefits you received.

*Temporary Total Compensation*
If your claim is approved for lost time, you may receive temporary total compensation at 72 percent of your full weekly wages for up to 12 weeks.

If your injury or illness prevents you from working for more than 12 weeks, your temporary total compensation will be reduced to 66 2/3 percent of your average weekly wage.

**Employer-Provided Benefits**

**Salary Continuation**
This benefit provides the injured employee with 100 percent of his or her regular rate of pay in lieu of workers’ compensation temporary total benefits if an approved Workplace Injury Labor Management Approved Provider Committee (WILMAPC) provider is used within seven days of the injury and agency accident reporting guidelines are followed.

**COST**
Participating state agencies pay the total contribution of this benefit through their budget process.

In all situations other than those described previously, the Plan will ask for your written authorization before using or disclosing your PHI. For example, (except as required or permitted by law), the Plan will not use or disclose psychotherapy notes or sell your medical information without obtaining your prior written authorization. If you have provided authorization, you may revoke it in writing at any time, unless the Plan has already disclosed the information.

4. Changes to Existing Laws

Certain provisions of Ohio law may impose greater restrictions on uses and/or disclosures of PHI, or otherwise be more stringent than federal rules protecting the privacy of PHI. If such provisions of Ohio law apply to a use or disclosure of PHI or under other circumstances described in this notice, the Plan must comply with those provisions.

Your Legal Rights

Federal privacy regulations provide you the following rights associated with your medical information:

Right to Request Restrictions. You have the right to request a restriction or limitation on the medical information the Plan uses or discloses about you for treatment, payment or health care operations. You also have the right to request a limit on the medical information we disclose about you to someone who is involved in your care or the payment for your care, like a family member or friend. (For example, you could ask that the Plan not disclose or use information about a certain medical treatment you received.)

The Plan is not required to agree to your request. To request restrictions on the use or disclosure of your PHI, you must make your request in writing to the Plan’s HIPAA Privacy Contact listed on Page 33. In your request, you must explain: (1) what PHI you want to limit; (2) whether you want to limit the Plan’s use, disclosure, or both; and, (3) to whom you want the limits to apply (for example, your spouse).

Right to Request Confidential Communications. You have the right to request that we communicate with you about medical matters in a certain way or at a certain location. For example, you can ask that we only contact you at a specific phone number or address. To request confidential communications, you must make your request in writing to the Plan’s HIPAA Privacy Contact listed on Page 33. The Plan will accommodate all reasonable requests. Your request must specify how or where you wish to be contacted. After the Plan receives your request, the information may be forwarded to your health plan. As a result, additional reasonable information may be required from you by your plan to process the request.
Right to Inspect and Copy Your Information. You have the right, in most cases, to inspect and copy medical information that may be used to make decisions about your care. To inspect and copy medical information that may be used to make decisions about you, you must submit your request in writing to the Plan’s HIPAA Privacy Contact listed on this page. If you request a copy of the information, the Plan may charge a fee for the costs of copying, mailing, or other unusual supplies associated with your request. Under Ohio and federal law, the Plan may deny your request to inspect and copy in certain very limited circumstances. If you are denied access to medical information, you may request that the denial be reviewed.

Right to Request an Amendment. If you feel that medical information about you is incorrect or incomplete, you may ask the Plan to amend the information. You have the right to request an amendment for as long as the information is kept. To request an amendment, your request must be made in writing and submitted to the Plan’s HIPAA Privacy Contact listed on this page. You must provide reasons that support your request. If the Plan denies your request for any reason under state or federal law, the Plan will permit you to submit a written statement of disagreement to be kept with your PHI. The Plan may reasonably limit the length of such statement of disagreement.

Right to an Accounting of Disclosures. You have the right to request an “accounting of disclosures.” This is a list of certain disclosures the Plan has made of medical information about you. This accounting will not include many routine disclosures including, but not limited to, those made to you or pursuant to your authorization, those made for treatment, payment and operations purposes as discussed above, those made for national security and intelligence purposes, and those made to law enforcement in compliance with law.

To request this list or accounting of disclosures, you must submit your request in writing to the Plan’s HIPAA Privacy Contact. Your request must state the time period that may not be longer than six (6) years prior to the date on which the accounting is requested. Your request should indicate in what form you want the list (paper or electronic). The first list you request within a 12-month period will be free. For additional lists, the Plan may charge you for the costs of providing the list. The Plan will notify you of the cost involved and you may choose to withdraw or modify your request at that time before any costs are incurred.

Right to a Paper Copy of this Notice. You have the right to a paper copy of this notice even if you have received it electronically. You may make your request to the Plan’s HIPAA Privacy Contact.

Right to Breach Notification. You have the right to notification if a breach of your unsecured PHI has occurred.

This Notice Is Subject To Change
The Plan reserves the right to change the terms of this notice and its privacy practices at any time. If such a change is made, the new terms and policies will be effective for all of the information that the Plan has about you as well as any information it may hold about you in the future, and will be posted at das.ohio.gov and may be provided by mail if required. If you want to ensure you have the latest version of this notice, you may contact the Plan’s HIPAA Privacy Contact.

Whom to Contact
If you believe your privacy rights have been violated, you may file a complaint with the Plan’s HIPAA Privacy Contact or with the Secretary of the Department of Health and Human Services. To file a complaint with the Secretary of the U.S. Department of Health and Human Services, contact the Office of Civil Rights
U.S. Department of Health and Human Services

NOTICE OF INITIAL COBRA RIGHTS
You are receiving this notice because you are covered under a group health plan (the “Plan”) sponsored by your employer. It is intended to inform you, in a summary fashion, of your potential future options and obligations under the continuation coverage provisions of the Consolidated Omnibus Budget Reconciliation Act of 1985 (”COBRA”). Under COBRA, your employer is required to offer covered employees and covered family members the opportunity for a temporary extension of health coverage, called continuation coverage, at group rates when coverage under the Plan would otherwise end due to certain “Qualifying events”. It is important that all covered individuals read this notice carefully and be familiar with its contents. This notice does not fully describe continuation coverage or other rights under the Plan. More complete information is available from your employer and in the Plan’s Summary of Benefits and Coverage, Summary Plan Description and Plan Document.

Your employer is not required to offer COBRA (and this notice does not apply to you) if all employers maintaining the Plan normally employed fewer than 20 full–time employees on a typical business day during the preceding calendar year. If you are not eligible for COBRA, you may be eligible for state continuation coverage. Contact the Plan for more information.

You may have other options available to you when you lose group health coverage. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicaid, or other group health plan coverage options (such as a spouse’s plan) through what is called a “special enrollment period.” Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at www.healthcare.gov.

Qualifying Events
If you are the covered employee, you may have the right to elect COBRA if you lose your group health coverage because of a termination of your employment (for reasons other than gross misconduct on your part) or a reduction in your hours of employment. **If you are the covered spouse of an employee**, you may have the right to elect continuation coverage for yourself if you lose group health coverage because of any of the following reasons: the death of your spouse; termination of your spouse’s employment (for reasons other than gross misconduct) or reduction in your spouse’s hours of employment; divorce from your spouse; or your spouse becomes entitled to Medicare. If
you are the covered dependent child of an employee, you may have the right to elect COBRA for yourself if you lose group health coverage because of any of the following reasons: the death of the employee; termination of the employee’s employment (for reasons other than gross misconduct) or reduction in the employee’s hours of employment; parents’ divorce; the employee becomes entitled to Medicare; or you cease to be a dependent child under the terms of the health plan.

If the Plan provides retiree health coverage, filing a proceeding for reorganization under the Bankruptcy Code can be a qualifying event. If a proceeding in bankruptcy is filed with respect to your employer, and that bankruptcy results in the loss of coverage of any retired employee covered under the Plan, the retired employee will become a qualified beneficiary with respect to the bankruptcy. The retired employee’s spouse and dependent children will also become qualified beneficiaries if bankruptcy results in the loss of their coverage under the Plan.

If you are a reservist called to active duty and your employer does not voluntarily maintain coverage for the continuation coverage period, the employee, spouse and covered dependents may be eligible to continue coverage under the Uniformed Services Employment and Reemployment Rights Act (USERRA). Contact your employer for more information.

Under the law, the employee, spouse, or other family member has the responsibility to notify the employer of a divorce, legal separation, or a child losing dependent status under the group health plan. This notification must be made within 60 days from whichever date is later: the date of the event or the date on which group health plan coverage would be lost under the terms of the insurance contract because of the event. Your employer has the responsibility to notify iTEDIUM, Inc. of the employee’s death, termination, reduction in hours of employment or Medicare entitlement. If this notification is not completed according to the above procedures within the required notification period, then rights to continuation coverage will be forfeited.

Once iTEDIUM, Inc learns a qualifying event has occurred, it will then notify all qualified beneficiaries of their right to elect continuation coverage. Each qualified beneficiary has independent COBRA election rights and will have 60 days to elect continuation coverage. The 60 day election period is measured from the later of the date health plan coverage is lost due to the event or from the date of COBRA notification, unless the Plan provides an extension of the election period beyond that required by law. If a qualified beneficiary does not elect continuation coverage within this election period, then rights to continue health insurance will end.

Length of Continuation Coverage
You have the right to continuation coverage for up to 18 months from the date of the qualifying event if the event causing the loss of coverage is a termination of employment (other than for reasons of gross misconduct) or a reduction in work hours.

The 18 months of continuation coverage can be extended for an additional 11 months of coverage, to a maximum of 29 months, for all qualified beneficiaries if: the qualified beneficiary is deemed disabled (as determined by Title II or XVI of the Social Security Act), at any time during the first 60 days of COBRA continuation coverage; and the qualified beneficiary notifies iTEDIUM, Inc. within 60 days after the determination of disability is made by the Social Security Administration, and within the initial 18-month period of coverage. It is the qualified beneficiary’s responsibility to obtain this disability determination from the Social Security Administration and provide a copy of the determination to iTEDIUM, Inc. within 60 days after the date of determination and before the original 18 months expire. It is also the qualified beneficiary’s responsibility to notify iTEDIUM, Inc within 30 days if a final determination has been made that they are no longer disabled.

If you are the covered spouse or dependent child(ren) of an employee, an extension of the 18−month continuation period can occur if, during the 18 months of continuation coverage, a second event takes place (divorce, death, Medicare entitlement, or a dependent child ceasing to be a dependent). If a second event occurs, then the original 18 months of continuation coverage can be extended to 36 months from the date of the original qualifying event date for the qualified beneficiary spouse and/or dependent children. If a second event occurs, it is the qualified beneficiary’s responsibility to notify iTEDIUM, Inc in writing within 60 days of the second event and within the original 18 month continuation period. In no event, however, will continuation coverage last beyond three years from the date of the event that originally made the qualified beneficiary eligible for continuation coverage.

If you are the covered spouse or dependent child(ren) of an employee, you have the right to continuation coverage for up to 36 months from the date of the qualifying event if the original event causing the loss of coverage was the death of the employee, divorce, Medicare entitlement, or a dependent child ceasing to be a dependent child under the Plan.

Qualified beneficiaries do not have to show they are insurable to elect continuation coverage; however, they must have been actually covered by the Plan for at least one day prior to the qualifying event to be eligible for COBRA. Although a qualified beneficiary participating in COBRA has the same rights as an active participant to add dependents to the Plan, those additional dependents may not be qualified beneficiaries. An exception to this rule is if, while on continuation coverage, a baby is born to or adopted by an employee/former employee. Procedures and deadlines for adding these individuals can be found in your summary plan description and must be followed. Your employer reserves the right to verify COBRA eligibility status and terminate continuation coverage retroactively if you are determined to be ineligible or if there has been a material misrepresentation of the facts.

**COST OF CONTINUATION COVERAGE**

A qualified beneficiary will have to pay the entire applicable premium plus an administration charge for continuation coverage as allowed by law, currently 2% of the total premium. These premiums will be adjusted in the future if the applicable premium amount changes. In addition, if continuation coverage is extended from 18 months to 29 months due to a Social Security disability, your employer can charge up to 150% of the applicable premium during the extended coverage period. Premiums are due every month for continuation coverage. In addition there will be a maximum grace period of 30 days for the regularly scheduled monthly premiums.

**Termination of Continuation Coverage**

Continuation of coverage will end prior to the maximum period if:

- Your employer ceases to provide any group health plan to any of its employees;
- Any required premium for continuation coverage is not paid in a timely manner;
- A qualified beneficiary becomes covered under another group health plan that does not contain any exclusion or limitation with respect to any preexisting condition of such beneficiary other
than such an exclusion or limitation which does not apply to or is satisfied by such beneficiary by reason of the Health Insurance Portability and Accountability Act of 1996.

- A qualified beneficiary becomes entitled to Medicare after the qualifying event except when the qualifying event is loss of retiree coverage due to the employer’s bankruptcy;
- A qualified beneficiary extended continuation coverage to 29 months due to a Social Security disability and a final determination has been made that the qualified beneficiary is no longer disabled;
- A qualified beneficiary notifies iTEDIUM, Inc. that they wish to cancel COBRA continuation coverage.
- A qualified beneficiary participates in activity which would otherwise allow the Plan to terminate an active employee’s coverage (e.g. submission of a fraudulent claim).

It is important that you notify State of Ohio and iTEDIUM, Inc. of any address change or change in marital status as soon as possible. Failure on your part to do so will result in delayed COBRA notifications or a loss of continuation coverage options. You must also notify iTEDIUM, Inc. within 30 days of other group health coverage, Medicare entitlement or the termination of your Social Security disability status. COBRA continuation coverage which is provided improperly due to your failure to provide notice does not bind the Plan to provide further coverage.

SPECIAL ENROLLMENT RIGHTS PURSUANT TO THE HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT (HIPAA)
Federal law requires that group health plans allow certain employees and dependents special enrollment rights when they previously declined coverage and when they have new dependents. This law, the Health Insurance Portability and Accountability Act (HIPAA) also addresses the circumstances under which treatment for medical condition may be excluded from health plan coverage. The information in this notice is intended to inform you, in a summary fashion, of your rights and obligations under these laws. You, your spouse and any dependents should all take the time to read the entire notice carefully.

Special Enrollments: If you decline enrollment for yourself or your dependents (including your spouse) because of having other health insurance or group health plan coverage at the time of your eligibility to participate, you may enroll yourself or your dependents at a future point, provided that you request enrollment within 31 days after your other coverage ends. In addition, if you have a new dependent as a result of a marriage, birth, adoption or placement for adoption, you may be able to enroll yourself and your dependents, provided that you request enrollment within 31 days of such an event.

Obtaining Additional Information: If you need assistance in determining your rights under ERISA or HIPAA, you may contact your Plan Administrator or the U.S. Department of Labor by writing to the Chicago Regional office at 200 W. Adams Street, Suite 1600, Chicago, IL 60606, or by calling the Department at 312-353-0900.

WOMEN’S HEALTH AND CANCER RIGHTS ACT OF 1998
The Women’s Health and Cancer Rights Act of 1998 (WHCRA) is a federal law that provides protections to patients who choose to have breast reconstruction in connection with a mastectomy. The terms of WHCRA provide:

A group health plan, and a health insurance issuer providing health insurance coverage in connection with a group health plan, that provides medical and surgical benefits with respect to a mastectomy shall provide, in a case of a participant or beneficiary who is receiving benefits in connection with a mastectomy and who elects breast reconstruction in connection with such mastectomy, coverage for:

1. All stages of reconstruction of the breast on which the mastectomy was performed;
2. Surgery and reconstruction of the other breast to produce a symmetrical appearance;
3. Prostheses; and,
4. Treatment of physical complications of all stages of mastectomy, including lymphedema.

For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient. Such coverage may be subject to annual deductibles and coinsurance provisions as may be deemed appropriate and as are consistent with those established for other benefits under the plan or coverage.

If you have any questions or would like more information about the State of Ohio’s WHCRA benefits, contact HR Customer Service at 614-466-8857 (option 2) or 800-409-1205 (option 2).

NEWBORNS’ AND MOTHERS’ HEALTH PROTECTION ACT
Under the provisions of The Newborns’ and Mothers’ Health Protection Act, group health plans and health insurance issuers generally may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a Caesarean section. However, federal law generally does not prohibit the mother’s or newborn’s...
attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under federal law, require that a provider obtain authorization from the plan or the issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

PATIENT PROTECTION DISCLOSURE
The Ohio Med PPO generally allows the designation of a primary care provider. You have the right to designate any primary care provider who participates in our network and who is available to accept you or your family members. For information on how to select a primary care provider, and for a list of the participating primary care providers, please see the contact numbers below for Aetna, Anthem, and Medical Mutual of Ohio.

The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals.

CREDITABLE COVERAGE DISCLOSURE
Important Notice from the State of Ohio About Your Prescription Drug Coverage and Medicare
Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with the State of Ohio and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

• Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

• The State of Ohio has determined that the prescription drug coverage offered by OptumRx is, on average for all Plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When can you join a Medicare drug plan?
You can join a Medicare drug plan when you first become eligible for Medicare and each year from Oct. 15 to Dec. 7. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What happens to your current coverage if you decide to join a Medicare drug plan?
If you decide to join a Medicare drug plan, your current State of Ohio coverage will not be affected. The State of Ohio has determined that the prescription drug coverage offered by OptumRx is, on average for all Plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

Go to: das.ohio.gov/prescriptiondrug for more details on your prescription benefits.

If you decide to join a Medicare Drug Plan and drop your current state medical coverage, be aware that you and your dependents will not be able to get this coverage back unless you experience a qualifying event or sign up during Open Enrollment.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?
You should also know that if you drop or lose your current coverage with the State of Ohio and don’t join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1 percent of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19 percent higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

Ohio Department of Administrative Services

NOTE: You’ll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through the State of Ohio changes. You also may request a copy of this notice at any time.

For more information about your options under Medicare prescription drug coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the “Medicare & You” handbook. You’ll get a copy
of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

**Remember: Keep this Creditable Coverage notice.** If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

**NOTICE REGARDING WELLNESS PROGRAM**

*Take Charge! Live Well!* is a voluntary wellness program available to all employees enrolled in the State of Ohio medical plan. The program is administered according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others. If you choose to participate in the wellness program you will be asked to complete a voluntary health risk assessment or “HRA” that asks a series of questions about your health-related activities and behaviors and whether you have or had certain medical conditions (e.g., cancer, diabetes, or heart disease). You will also be asked to complete a biometric screening, which will include a blood test for total cholesterol, high density lipoprotein (HDL), low density lipoprotein (LDL), triglycerides, and blood glucose. You are not required to complete the HRA or to participate in the blood test or other medical examinations.

However, employees who choose to participate in the wellness program will receive an incentive of up to $50 for completion of the HRA and $100 for completion of a biometric screening. Although
you are not required to complete the HRA or participate in the biometric screening, only employees who do so will receive the incentive.

Additional incentives of up to $200 may be available for employees who participate in certain health-related activities such as health coaching and online participation in health and wellness lessons and/or challenges. If you are unable to participate in any of the health-related activities required to earn an incentive, you may be entitled to a reasonable accommodation. You may request a reasonable accommodation by contacting Beth Kim, State of Ohio Wellness program manager, at 614-728-5478.

The information from your HRA and the results from your biometric screening will be used to provide you with information to help you understand your current health and potential risks, and may also be used to offer you services through the wellness program, such as health coaching and QuitNet. You also are encouraged to share your results or concerns with your own doctor.

**Protections from Disclosure of Medical Information**

We are required by law to maintain the privacy and security of your personally identifiable health information. Although the wellness program and the State of Ohio may use aggregate information it collects to design a program based on identified health risks in the workplace, Take Charge! Live Well! will never disclose any of your personal information either publicly or to the employer, except as necessary to respond to a request from you for a reasonable accommodation needed to participate in the wellness program, or as expressly permitted by law. Medical information that personally identifies you that is provided in connection with the wellness program will not be provided to your supervisors or managers and may never be used to make decisions regarding your employment.

Your health information will not be sold, exchanged, transferred, or otherwise disclosed except to the extent permitted by law to carry out specific activities related to the wellness program, and you will not be asked or required to waive the confidentiality of your health information as a condition of participating in the wellness program or receiving an incentive. Anyone who receives your information for purposes of providing you services as part of the wellness program will abide by the same confidentiality requirements. The only individual(s) who will receive your personally identifiable health information is the health coaching staff at Healthways, in order to provide you with services under the wellness program.

In addition, all medical information obtained through the wellness program will be maintained separate from your personnel records, information stored electronically will be encrypted, and no information you provide as part of the wellness program will be used in making any employment decision. Appropriate precautions will be taken to avoid any data breach, and in the event a data breach occurs involving information you provide in connection with the wellness program, we will notify you immediately.

You may not be discriminated against in employment because of the medical information you provide as part of participating in the wellness program, nor may you be subjected to retaliation if you choose not to participate.

If you have questions or concerns regarding this notice, or about protections against discrimination and retaliation, please contact:

PREMIUM ASSISTANCE UNDER MEDICAID AND THE CHILDREN'S HEALTH INSURANCE PROGRAM (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1-877-KIDS NOW or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 1-866-444-EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of Jan. 31, 2017. Contact your state for more information on eligibility.

When reviewing information about your health care coverage options, it is helpful to understand some of the basic terms and concepts.

**Benefit Year/Plan Year:** The 12-month period from July 1 through June 30 during which services are rendered and your deductible and coinsurance are accumulated.

**Biometric Screening:** A private screening with a health professional that provides a snapshot of your health. The screening includes cholesterol (total), HDL, LDL, blood glucose, blood pressure, height, weight and waist circumference.

**Change in Status/Qualifying Event:** A change in your life that allows you to enroll or make an adjustment to your existing coverage. Examples include marriage, divorce, birth or adoption of a child, or a change in job status for you or a dependent.

**Coinsurance:** The percentage of eligible expenses that the health care plan pays after the annual deductible is met. For example, an 80 percent coinsurance rate means you pay 20 percent and the plan pays 80 percent.

**Copay:** A specified dollar amount you pay to a health care provider or pharmacy for eligible expenses such as office visits and prescriptions. Copays do not count toward your annual deductible.

**Covered Person:** The employee, the employee’s spouse and/or dependent children who are eligible and enrolled under your health care plan.

**Covered Services:** Those services and supplies provided for the purpose of preventing, diagnosing or treating a medical condition, behavioral disorder, psychological injury or substance use addiction for which the plan will provide benefits.

**Deductible:** The amount you pay for eligible expenses each plan year before the plan begins to pay anything. This does not apply to preventive services covered at 100 percent.

**Dependent(s):** A spouse and/or an eligible child or children.

**Eligible Expense:** The maximum amount on which payment is based for covered health care services. You may be required to pay a percentage of Eligible Expenses in the form of Coinsurance.

**Employee Share or Contribution:** The portion of the total premium that you pay through pre-tax payroll deductions for your coverage.

**Exempt Employee:** An appointment to a position not represented by a labor union. Employees are usually exempt from union representation because they are supervisors, in positions of a confidential or fiduciary nature or not in permanent appointments.

**Flexible Spending Accounts (FSA):** A type of savings account that provides the account holder with specific tax advantages. The account allows employees to contribute a portion of their regular earnings to pay for qualified expenses, such as medical or dependent care. The two types of FSAs are health care spending accounts and dependent care spending accounts.

**Out-of-pocket Maximum:** The cap or maximum amount you pay for eligible out-of-pocket health care expenses during the plan year. After your out-of-pocket expenses reach the maximum, the plan pays 100 percent of any additional eligible expenses for the remainder of the plan year. There is a separate out-of-pocket maximum for prescription drugs.

**Patient Protection and Affordable Care Act (also known as the Affordable Care Act or PPACA or simply ACA):** The health reform legislation passed by Congress and signed into law in March 2010 by the president of the United States.

**Preferred Provider Organization (PPO):** A PPO is a medical plan that offers benefits at both network and non-network levels. When you enroll in the Ohio Med PPO, you may visit any doctor and receive benefits. However, the benefit is greater when you use network providers, but less when you use providers who are not part of the network.

**Service Hours:** Service hours include any hour for which an employee receives or is entitled to payment for performing their job duties for the State of Ohio. These hours also include each hour for which an employee is paid or entitled to payment due to vacation, holiday, illness, incapacity (including disability), layoff, jury duty, military duty or leave of absence, but does not include hours that relate to Workers’ Compensation or unemployment compensation, volunteer hours or a federal work-study program.

**State Share or Contribution:** The portion of the total premium the State of Ohio pays to provide its employees with coverage.

**Summary of Benefits and Coverage (SBC):** A requirement of the Patient Protection and Affordable Care Act, the SBC is a concise four-page document that details simple and consistent information about health plan benefits and coverage. It will help you understand the basics of your coverage and allow you to compare any different coverage options you may have. It summarizes the key features of the plan, such as covered benefits, cost-sharing provisions, and limitations and exceptions. All insurance companies and group health plans must use the same standard SBC form. The SBC also contains a link to the required Uniform Glossary, which provides definitions of many commonly used health coverage and medical terms. For full details, visit das.ohio.gov/benefits.

**Third-Party Administrator (TPA):** An organization or company that processes claims and other aspects of employee benefits plans on behalf of an employer. For example, Aetna, Anthem and Medical Mutual are the third-party administrators of the Ohio Med PPO.

**Total Premium:** The combination of the employee contribution and the state contribution.

**Union-Represented Employee:** Also known as a Bargaining Unit Employee, is represented by a labor union and covered by the terms of a collective bargaining agreement.

**Well-Being 5 Survey:** A confidential questionnaire that assesses your physical, emotional, financial and social health and how your lifestyle habits affect your overall well-being.
