

## 2020 Flexible Spending Accounts (FSA) Limited Purpose Spending Account (LPSA) Worksheet

Use this worksheet below to determine how much to deposit in your LPSA. Calculate the amount you expect to pay during the calendar year for eligible, uninsured out-of-pocket vision and dental expenses. This calculated amount cannot exceed \$2,500 for a Limited Purpose Spending Account.

Be conservative in your estimates. A minimum of \$50.00 and a maximum of \$500.00 of the remaining year-end balance of your Limited Purpose Spending Account may be carried forward to the next plan year. Please remember the carryover does not apply to the Dependent Care Spending Account.
