

## CHANGES IN STATUS/QUALIFYING EVENTS and REQUIRED DOCUMENTATION MATRIX

Employees may generally make changes to their benefit elections during applicable open enrollment periods, subject to any eligibility requirements. Changes made outside of open enrollment may also occur due to a change in status/qualifying event or change of dependent status during the plan year (e.g. student status change events related to dental and/or vision coverage, birth, etc.).

Regarding coverage for dependents, the employee is responsible for enrolling/disenrolling a dependent under the plan's provisions within 31 days of the qualifying event. You can enroll in coverage for medical, dental, and/or vision, if eligible, online at [myOhio.gov](https://myOhio.gov) or by [paper enrollment](#); online enrollment is preferred. If you are unable to obtain certain required documents (e.g. birth or marriage certificate) within the required deadline, the plan may allow for additional time to obtain them – provided certain criteria/requirements are satisfied. **If you are unable to provide the required documents within 31 days, please contact your agency benefits representative.**

It is important to note you are still required to initiate the enrollment process within 31 calendar days of the change in status/qualifying event; and, your dependents will remain ineligible for benefit coverage until all required documentation has been submitted.

For all qualifying events, the effective date of coverage will be the first of the month following the date of the event. For the birth/adoption of a child, coverage will begin on the date of the event (date of birth or placement in the home).

The following matrix of qualifying events is intended to provide employees and their dependents with information about the events that may authorize, and in some cases require, a change to an employee's benefit elections, as well as information about the changes that may be made based on those events. Questions, including those about eligibility, changes in status, changes that must be made, and the deadlines within which changes must be made, should be directed to your agency's benefits representative.

Employees are eligible for medical coverage the first of the month after their date of hire. Employees are eligible for dental and vision coverage after one year of continuous State service. Eligibility requirements can be found at: [das.ohio.gov/benefits](https://das.ohio.gov/benefits).

**Please be aware that knowingly providing false or misleading information may result in any or all of the following actions by the State of Ohio: 1) disciplinary action, up to and including removal; 2) collection action to recoup payments of benefits and claims paid for individuals determined to be ineligible dependents; and/or 3) civil and/or criminal prosecution.**

***THIS MATRIX IS INFORMATIONAL ONLY: This information is not intended to be exhaustive of all possible events but is illustrative of the more common situations employees and their dependents face. Additionally, this matrix does not preclude the plan from taking different actions in unusual circumstances where the plan determines such actions are legally permissible and otherwise appropriate.***

All changes in enrollment that cannot be submitted through [myOhio.gov](https://myOhio.gov) require the [Benefit Enrollment and Change Form \(ADM4717\)](#) AND all required documentation for the applicable dependent and event type.

<p><b>Important Note:</b> Former spouses are <u>not</u> eligible dependents for benefits offered to employees of the State of Ohio. It is your responsibility as a covered employee to promptly notify your agency's human resources office following a change in circumstance that renders any dependent, including your spouse, ineligible for coverage according to the state's dependent eligibility rules. More specifically, you must remove your former spouse (and stepchild(ren)) from coverage within 31 days after a divorce, annulment, or legal separation. Failure to do so may result in cancellation of coverage effective as of the date of divorce/annulment/legal separation and collection actions to recoup payments for any ineligible premiums or claims. Additionally, you may lose coverage for yourself (and any remaining dependent(s)); face disciplinary action, up to and including dismissal; and/or, be prosecuted criminally and/or civilly.</p>
