

# Important change to your Prescription Benefit Program

Effective September 19, 2020

As the State of Ohio’s pharmacy benefit manager, OptumRx would like to take this opportunity to inform you of some important information regarding your prescription drug plan.

## Tobacco Cessation Medications<sup>1</sup>

Starting 9/19/2020, the State of Ohio covers all smoking cessation items. If you need help to quit smoking or using tobacco products, these preventive medications have a \$0 cost share. Your plan no longer requires coaching to use this benefit.

To qualify, you need to:

- Be age 18 or older
- Get a prescription for these products from your doctor, even if the products are sold over-the-counter (OTC)
- Fill the prescription at a network pharmacy

### Medications covered by your plan:

| Over-the-counter medications | Dosage Form          |
|------------------------------|----------------------|
| COMMIT                       | nicotine lozenges    |
| NICODERM                     | nicotine patches     |
| NICORETTE                    | nicotine gum         |
| NICOTROL Inhaler             | Nicotine inhaler     |
| NICOTROL NS                  | Nicotine nasal spray |
| Prescriptions                |                      |
| CHANTIX                      | tablet               |
| ZYBAN                        | tablet               |
| bupropion ER*                | tablet               |
