

PROFESSIONAL CERTIFICATION PROGRAMS

Sharpen Your Professional Skills

Are You Ready to Sharpen Your Professional Skills?

In this competitive business environment, it is important to keep abreast of new technologies and strategies by pursuing continuing education requirements, certifications or licenses. Likewise, it is very important to fine-tune or improve your skills at any stage in your career. **Learning on Demand** (LOD) can help you with earning a professional certification.

The list to the right are certification programs you may want to consider as you begin sharpening your professional skills:

| | | |
|---------------|-----------------------------------|-------------------|
| CompTia | HR Certification Institute (HRCI) | Oracle |
| CISCO | Project Management | Quality Assurance |
| C++ Institute | Microsoft | Six Sigma |

LOD resources, which will help develop your professional skills in a variety of areas, are available to exempt and IT professionals.
