

DIVERSITY AND INCLUSION

The State of Ohio values and is committed to creating a diverse and inclusive workforce. Developing an understanding of yourself and the ways in which you and others view the world will help you to appreciate diversity and inclusion in the workplace.

Reflect on how to become more diverse and inclusive by:

- Considering the actions, you can take to become aware of your values and beliefs
- Knowing how to adjust your self-talk to manage your reactions in challenging situations involving diversity
- Applying guidelines for embracing social and cultural diversity in the workplace
- Adapting your actions to improve social and cultural diversity
- Using attributes of inclusive language
- Improving your active listening skills
- Developing your capabilities to embrace and leverage diversity in your workplace

More information on creating and maintaining diverse and inclusive teams and other valuable resources are available via Learning on Demand.
