LEANOHIO ONLINE GREEN BELT PROGRAM

Do you want to become proficient in applying basic analytical tools to Define, Measure, Analyze, Improve and Control a Lean Six Sigma project?

To become a certified LeanOhio Green Belt and productive member of a project team, you can get started today!

LeanOhio Online Green Belt is designed to meet the needs of State of Ohio employees and the new online program is aligned to the American Society of Quality (ASQ) Body of Knowledge. Completion of this coursework will assist employees toward achieving their LeanOhio Green Belt Certification.

Note: The completion of LeanOhio Boot Camp training and project is a prerequisite.

For more information about the LeanOhio Online Green Belt program and other valuable resources available to exempt and IT professionals, log on to Learning on Demand to get started.
