# LEARN ANYTIME

**So much information, so little time!**

It can be a struggle trying to determine which courses are best to take when you have limited time. Visit Learning on Demand to see a list of the Top 10 courses that will help you to address the business needs while operating in a digital economy. Update your skills and get the knowledge you need to be successful. From building innovation to influencing others, these courses will help you hone your skills and remain current.

**Try one today!**

**Log on to the Learning on Demand app  
in myOhio to get started!**
