

Spotlight Topic of the Month: Planning Your Development

January 2018

Planning Your Development

Planning your development could open many possibilities for you. It may mean getting more out of your current role, increasing a skill or competency, or increasing your technical knowledge in an area.

Regardless of your reasons, development is important to ensure you are keeping pace with the ever-changing demands of your job in order to perform at a higher level and, more importantly, achieve job satisfaction.

The courses below are available through **Learning on Demand** to assist you on your journey to developing yourself.

- [Career Development](#) – video, 3 mins.
- [A Kaleidoscope Mindset for Career Mobility](#) – video, 3 mins.
- [Best Practices for Interviews](#) – video, 3 mins.

To learn more about Planning Your Development, exempt and IT professionals can visit **Learning on Demand** by clicking on the link below.

Log on to: [Learning on Demand](#) and get started!
