RE: MSA #MSA0020, Contract Renewal

Dear Todd,

This letter is notice to you that the State intends to renew the above contract for the period of July 1st, 2021 through June 30th, 2023.

The renewal of the Contract will be effective on the later of July 1, 2021 or the date the State issues a purchase order under the Contract and is contingent upon continued compliance with all obligations agreed to in the Contract.

No new SOMACS orders will be accepted. The terms and conditions for all existing SOMACS orders will be honored through the end of their respective Service Terms. Once the Service Term has expired, Vendor will work with Subscribing Entity and the State to terminate the Service(s) or move the Service(s) to another type of Service. Reports regarding the Status of the active Service Orders will be distributed to the agencies and the State. AT&T will work with the Subscribing Entities and the State to ensure the Service(s) are terminated by the end of each Service Term.

Thank you for your attention to this matter. Please do not hesitate to contact Dennis Kapenga at dennis.kapenga@das.ohio.gov if you have any questions.

Sincerely,

Matthew Whatley
Interim Director
