• SERVICE ATTACHMENT 11 - AT&T SWITCHED ETHERNET SERVICES**

This is an Amendment to Service Attachment 11 to the Master Service Agreement - Service Attachment 11 AT&T Switched Ethernet Services (as amended, the "Contract") between The Department of Administrative Services, on behalf of the State of Ohio ("the State"), and AT&T Corp (as amended), on behalf of the AT&T entity authorized to provide Services hereunder: The Ohio Bell Telephone Company d/b/a/ AT&T Ohio ("Vendor" or "AT&T").

Customer Name: The Department of Administrative Services, on behalf of the State of Ohio ("the State"), ("Customer")

WHEREAS, AT&T and the State entered into a Contract renewal last signed by the State on June 19, 2019, for the provision of AT&T Switched Ethernet Services; and AT&T and the State hereby agree to modify the Contract as follows:

1. Table 3.3 Pricing Table in Service Attachment 11 to the Master Service Agreement (MSA0022) is replaced by the pricing table below for all new orders placed after the Effective Date of this Amendment. The Non-recurring charge in the chart below only applies to the 60-month term and may be waived at AT&T's discretion.

Existing ASE Service may be upgraded to these rates provided the price for the new speed is of equal or greater value than the price for existing speed and a new 60-month term. Subscribing entity may upgrade by placing a Service Now order.

Existing AT&T ASE users may renew at the same speed provided there is 3 months or less remaining on existing agreement for a new 60-month term.

The pricing table below also applies if Customer's existing OPT-E-MAN Service is replaced by ASE Service at the same location(s), provided the ASE Service is pursuant to a new 60-month Service Term.
