

**MASTER SERVICE AGREEMENT (MSA0039)
SERVICE ATTACHMENT 1
AMENDMENT NUMBER 1**

THIS AMENDMENT NUMBER 1 TO SERVICE ATTACHMENT 1 (the "Amendment") is between the State of Ohio, Department of Administrative Services (the "State") and T-Mobile USA, Inc. (the "Contractor"). This Amendment changes the terms of the Master Service Agreement (MSA0039) (the "Contract").

WHEREAS, the State and the Contractor entered into the Contract on March 25, 2015;

WHEREAS, the State and the Contractor entered into Service Attachment 1 to the Contract on October 31, 2014; and

WHEREAS, the State and the Contractor determined that a Contract Amendment is necessary to address certain revisions to the Contract.

NOW, THEREFORE, the Contract is amended as follows:

1. Pursuant to Part I, Section 16 of the Contract that allows for pricing updates, Addendums A and B to Service Attachment 1 are deleted in their entirety and replaced with the attached Addendums A and B to Service Attachment 1.

This Amendment shall become effective as of the date of the State's signature and shall remain in full force and effect for the term of the Contract. Except as modified by this Amendment, all other terms, conditions and pricing of the Contract shall remain the same and in full force and effect.

In Witness Whereof, the parties have executed this Amendment as of the dates appearing below.

**Requirements for the Government Unlimited Rate Plan with Subsidy Allowance and First Responder Government Rate Plan with Subsidy Allowance - Smartphones			
1) For the Subsidy to be effective, Customer will activate a line of Service under its Master Account. Each line of Service must be activated and maintained for at least 24 months from the date of activation without any suspension or termination of any line of Service (the "Subsidy Term");			
2) Each line of Service must remain active, without suspension, for a 90-day period following the activation ("Minimum Activations Period");			
3) Each line of Service must be activated in accordance with the terms of the Agreement;			
4) Each line of Service which is activated under the Master Account can only qualify once for a device subsidy during the Initial Term;			
5) The subsidy cannot be combined with any other discounts, credits or promotional offers; and			
6) Customer's account with T-Mobile must be in good standing to receive the subsidy.			
Minimum Activation Period/Termination. If any line of Service that received a Subsidy or any other future credit that T-Mobile may agree to provide to Customer is terminated prior to the end of the Subsidy Term, then Customer agrees to pay or reimburse T-Mobile the pro rata portion of the Subsidy that has been credited by T-Mobile to the Customer for each terminated line of Service (for purposes of illustration only, if Customer terminates the applicable line 12 months following activation, and if T-Mobile has issued a subsidy of \$150 for such line, then Customer will reimburse T-Mobile \$75 (i.e. 50% [12/24 months] X \$150) for such terminated line). Customer may either (i) pay T-Mobile the aggregate amount of issued subsidy for terminated lines of Service which are terminated before the end of the Subsidy Term within 30 days of termination of the affected lines of Service; or (ii) T-Mobile may charge Customer for the Activation Credits issued for each terminated lines of Service and Customer agrees to pay T-Mobile for the Subsidy issued to Customer for the terminated lines within 30 days of issuance of notice by T-Mobile.			
General Rate Plan Terms and Conditions			
During congestion, the small fraction of customers using >50GB/mo. may notice reduced speeds until next bill cycle due to data prioritization. Video typically streams on smartphone at 480p. Capable device required for some features. Government Unlimited General Terms: U.S. roaming and on-network data allotments differ: includes 200MB roaming. Unlimited talk & text features for direct communications between 2 people; others (e.g., conference & chat lines, etc.) may cost extra. Unlimited high-speed data US only. In Canada/Mexico, up to 5GB high-speed data then unlimited at up to 128kbps. Not available for hotspots and some other data-first devices. Video streams at up to 1.5Mbps. Optimization may affect speed of video downloads; does not apply to video uploads. For best performance, leave any video streaming applications at their default automatic resolution setting. Tethering: 11 GB high-speed data then unlimited on our network at max 3G speeds. For the small fraction of customers using >50GB/mo., primary data usage must be on smartphone or tablet. Smartphone and tablet usage is prioritized over Mobile Hotspot Service (tethering) usage, which may result in higher speeds for data used on smartphones and tablets. AutoPay Pricing for lines 1-8. Without AutoPay, \$5 more/line. May not be reflected on 1st bill. Simple Global: Additional charges apply in excluded destinations; see www.t-mobile.com for included destinations (subject to change at T-Mobile's discretion). Qualifying postpaid plan and capable device required. Taxes additional; usage taxed in some countries. Voice and text features for direct communications between 2 people. Communications with premium-rate (e.g., 900, entertainment, high-rate helpline) numbers not included. Calls from Simple Global countries, including over Wi-Fi, are \$.25/min (no charge for Wi-Fi calls to US, Mexico and Canada). Coverage not available in some areas; we are not responsible for our partners' networks. Standard speeds approx. 128 Kbps. International Roaming: Usage may be taxed in some countries. Calls from Simple Global countries, including over Wi-Fi are \$.20/min. (no charge for Wi-Fi calls to US, Mexico and Canada); customers on consumer plans (e.g. some sole proprietors) pay an additional \$.05/min. Standard speeds approx. 128Kbps without Plus; with Plus approx. 256 Kbps. Gogo: on U.S.-based airlines; Wi-Fi Calling functionality, valid e911 address, & 1 prior Wi-Fi call w/ current SIM card required for messaging. Service may be terminated or restricted for excessive roaming. Terms for Simple Choice & Mobile Internet Rate Plans: Full speeds available up to monthly allotment, including tethering (Unlimited on-smartphone 4G LTE data option includes 14GB of tethering); then, slowed to up to 2G speeds through bill cycle. Partial megabytes rounded up. U.S. roaming and on-network data allotments differ; see your selected service for details. Certain uses, e.g., some speed test apps, may not count against high-speed data allotment or have speeds reduced after allotment reached. Coverage not available in some areas; we are not responsible for our			

partners' networks. Network Management: Service may be slowed, suspended, terminated, or restricted for misuse, abnormal use, interference with our network or ability to provide quality service to other users, or significant roaming. See T-Mobile.com/OpenInternet for data management details. Not for extended international use; you must reside in the U.S. and primary usage must occur on our network. Device must register on our network before international use. See Terms and Conditions at www.T-Mobile.com for additional information.
